Dear Ms Gurney,

I would like to congratulate you and all the staff at Essex & Herts Air Ambulance Trust following the excellent CQC inspection report released today.

I very much enjoyed my visit to the North Weald Airbase in August, and it is fantastic to see all the hardwork and dedication of the staff at EHAAT recognised by the CQC during their inspection. The overall outstanding rating is very well deserved!

The life-saving service the Trust provides to residents across both Essex and Hertfordshire, and role staff play in helping deliver this, has been reflected in these excellent set of results. People in both my constituency and across the region are very fortunate to have such an excellent service available to them in their time of need.

*with our good wishes*
