Dr Ed Garratt
Chief Executive, Suffolk and North East Essex ICB

4th October 2022

Dear Ed,

I wanted to write and congratulate you and the team at the SNEE ICB on your success once more with the covid vaccination rollout.

After all the hard work and success of the team with the initial vaccination campaign and boosters, it is fantastic to once again see SNEE leading the way with the Autumn booster vaccinations which I am very pleased to note is now ranked number one in the country.

Please do pass on my congratulations to everyone that has been involved in delivering the programme so successfully, and as I said earlier in the year, this really is a testament to the hard work of staff in the SNEE ICB and is an achievement that everyone should be proud of.

*With our good wishes,
P. Patel*
